**Local Government**

UCA 36-12-13(2)(c)

To the extent that a Local Education Agency (LEA) does not currently meet the standards of the proposed legislation, enactment of this bill could cost an LEA \$130,400 ongoing beginning in FY 2021 to hire an individual to direct administrative and operational control of all construction, renovation, and inspection of public school facilities within the LEA. Alternatively, enactment of this legislation could cost LEAs a one-time amount per project for contracting with the Division of Facilities Construction and Management (DFCM). The costs may vary depending on an LEA's size and location and the size of the project.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
